PRESENTATION OF RESTORE PROJECT

RESTORE project underlines the need of fostering civic engagement of Roma adults in their local communities, bringing them closer to EU values and ideas of union and diversity. EU strategic framework of 2020-2030 emphasizes that the three pillars approach (i.e equality, inclusion and participation) can support the active citizenship of Roma communities, as well as can enhance their democratic participation in their countries.

RESTORE

GOALS

- Fostering democratic participation of at least 15 Roma adults (per country) into their local communities ;
- Motivating at least 15 Roma adults (per country) to be informed about their rights and responsibilities into their own country of residence;
- Providing Roma adults with the appropriate upskilling pathways related to civic education;
- Offering local communities with at least 15 policy recommendations on how to launch a holistic civic engagement inclusive approach related to Roma's democratization and local participation;
- Connecting at least 10 European Organizations Roma adults, through the formulation of a training programme related to civic engagement and democratic participation

RESTORE

RESULTS

- Introduction of an interactive map, which will cover issues related to unity, diversity and cultural heritage, inspiring the target group to get to know the European values;
- Incorporation of role models, who will teach in a way Roma adults can adapt to the local environment, as well as help them in the democratization process;
- The creation of a holistic OER training programme for Roma adults, in view of covering issues related to self-awareness, dialogue and reflection etc.;
- The formulation and delivery of a mobile app connected to the OER programme for Roma adults, in view of making it accessible 24 hours a day.
- The identification of civic educational models, which will guide them into choosing how the training programme will be better served to Roma adults;
- The delivery of a support repository which will cover civic learning practices and offer extra training resources;
- The evaluation of the training programme, resulting in a holistic report of policy recommendations related to the best civic engagement approach towards Roma adults.
